Universal

The Touch tablet stand is suited to all models of iPad and Android tablets courtesy of a simple and minimalist design. Easily secure your device using your choice of two different strong 3M adhesives included with the stand.

**SAMSUNG****Lenovo****amazon****ASUS**

Cable Management

Easily charge your device with internal cable routing through the Touch bracket and down the stand. The cable can either go through the mounting surface or out the back of the stand depending on your use case. Also, all your device ports and buttons are fully accessible with the Touch Evo tablet stand.
