Gemini Self-Service

Tablet Stand

A lockable, easy-to-use stand that turns your tablet into a self-service checkout. It keeps cables out of sight and can tilt 45 degrees for better viewing.

Self-Service POS Integration

Specifically crafted to hold both a payment terminal and a tablet, this stand streamlines the setup of a self-service POS system, enhancing customer checkout experiences.
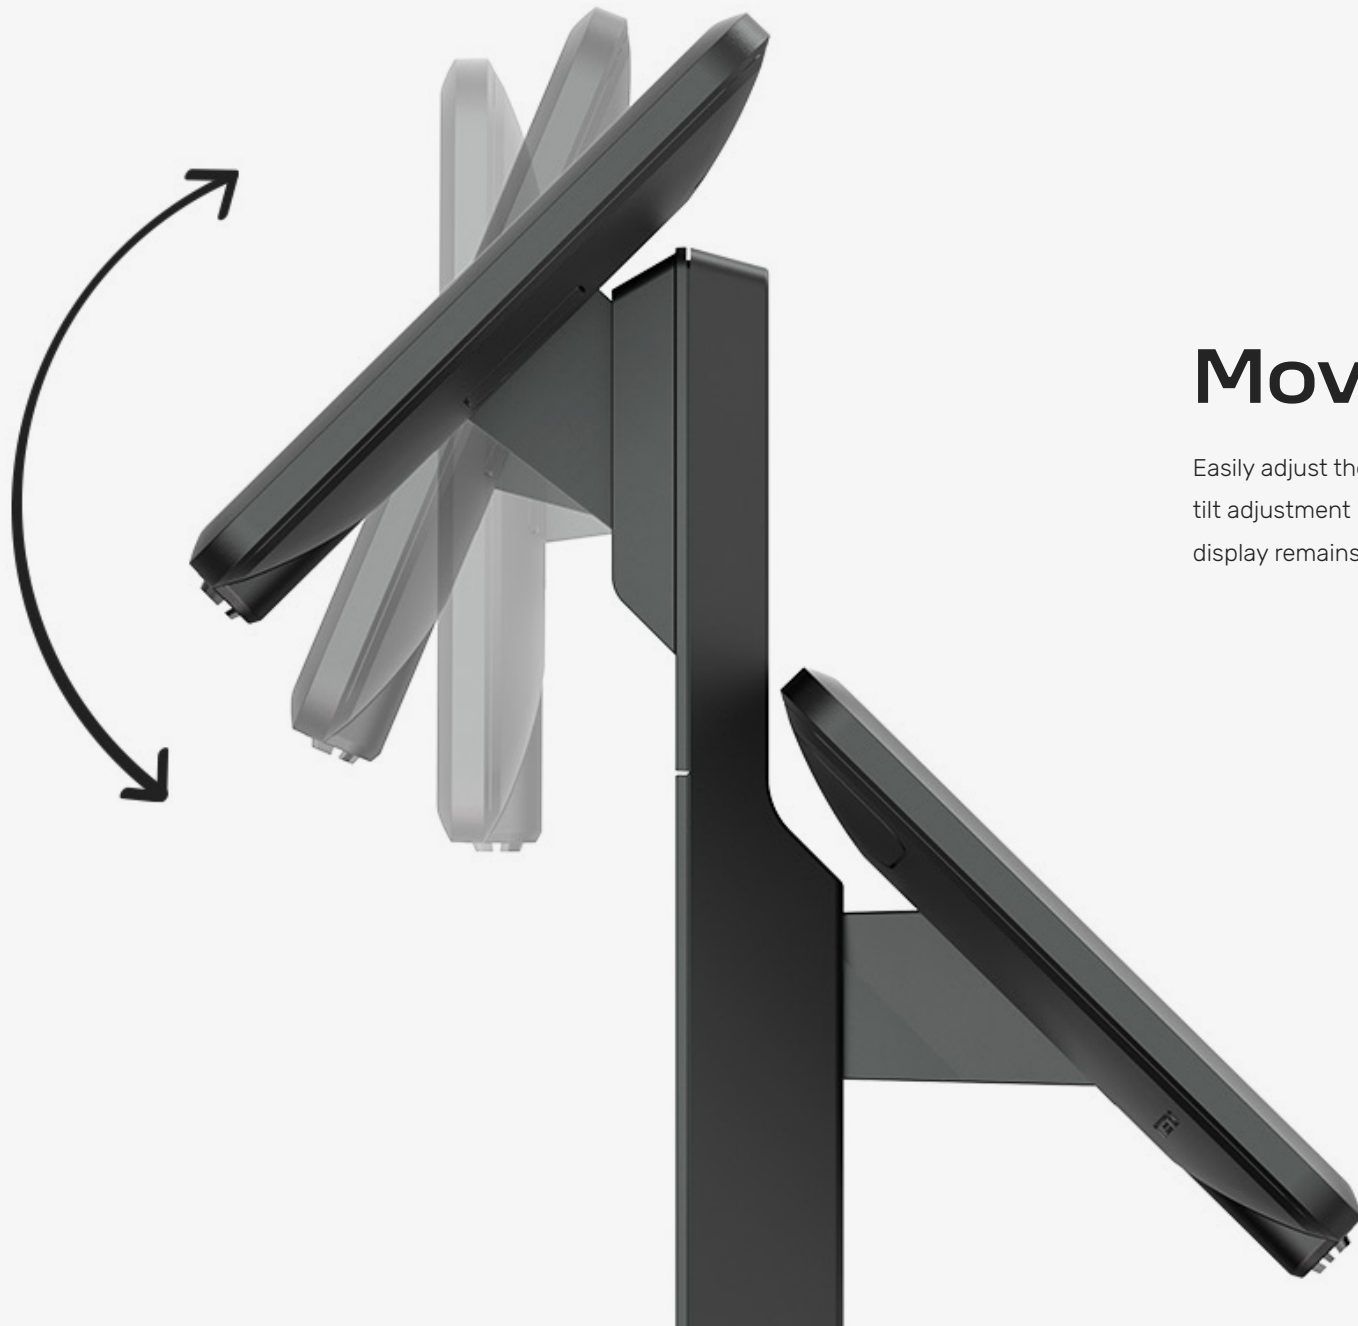

Single Or Dual Display

Wanting a dual solution? The Gemini Self-Service is available in both single and dual displays. Contact our sales team for a personalized quote.

Choose Your Holder

The Gemini Self-Service tablet stand has various holder options to suit your device. Choose the Elite holder for a **lockable** enclosure, compatible with a range of Apple, Samsung and Windows devices. Alternatively, opt for the Touch holder for a **universal** adhesive solution.

Movement

Easily adjust the angle of your tablet with a 45 degree tilt adjustment included on the upper display. The lower display remains a fixed option.
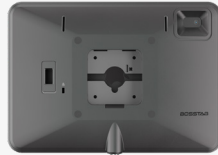

Internal Cable Management

Keep your tablet and payment terminal fully charged at all times with internal cable management. Keeping your cables tucked away and out of sight for a premium POS setup.
